3. IMPORTANT INFORMATION

Principals relying on this certificate should ensure it is accompanied by a statement under section 175B of the Workers Compensation Act 1987. Principals should also check and satisfy themselves that the information is correct and ensure that the proper workers compensation insurance is in place ie. Compare the number of employees on site to the average number of employees estimated; ensure that the wages are reasonable to cover the labour component of the work being performed; and confirm that the description of the industry/industries noted is appropriate.

A Principal contractor may become liable for any outstanding premium of the sub-contractor if the principal has failed to obtain a statement or has accepted a statement where there was reason to believe it was false.

b. does engage or expects to engage hired labourers or contractors to perform work on their behalf or for their benefit on any project, which has a value exceeding \$20,000. However the Insured has elected not to insure this exposure

Geographic coverage: This policy section covers claims for compensation made against you anywhere in Australia or New Zealand for personal injury or property damage occurring within Australia or New Zealand and as otherwise noted in your policy wording or by endorsement shown in your schedule.

Your duty of disclosure

Before you enter into this policy with us, you have a duty, under the Insurance Contracts Act, to disclose to us every matter that you know, or could reasonably be expected to know, is relevant to our decision whether to accept the risk of the insurance and, if so, on what terms. You have the same duty to disclose those matters to us before you renew, extend, vary or reinstate this policy.

Your duty however does not require disclosure of a matter;

- a) That diminishes the risk undertaken by us;
- b) That is of common knowledge;
- c) That we know or, in the ordinary course of our business, ought to know; and
- d) As to which compliance with your duty is waived by us.

If you fail to comply with your duty of disclosure, we may be entitled to reduce our liability under your policy in respect of a claim or we may cancel the policy or do both. If your non-disclosure is fraudulent, we may also have the option of avoiding the policy from the beginning.

The amount of cover

For some parts of your policy, you have given us details about the cost of replacing buildings, business contents, your home, contents, farm buildings, farm contents, and other items, and the cost of doing certain things in connection with your business. This is to assist you to work out how much insurance cover you need.

When you do your calculations you should note that if you are not entitled to an input tax credit on the policy premium, all sums insured and limits of liability stated in the policy are GST inclusive (unless your policy states otherwise). If you are entitled to an input tax credit on any part of the policy premium, the sums insured and limits of liability stated in the policy are exclusive of any input tax credit which you are or would be entitled to claim. You should reconsider these details at each renewal or if you have a significant change and advise us of the changed details.

If you need advice about these things you should contact your accountant or financial adviser.

Input tax credit entitlement

If you are entitled to an input tax credit for any portion of the premium for this policy or if your entitlement to an input tax credit as disclosed to us is incorrect or changes, then you must immediately let us know in writing.

Under-insurance

You should note that some policy sections have under-insurance provisions which apply. This means that if you under-insure, you will have to bear part of any loss yourself.

Payment and instalments

If you are paying the premium for this policy by instalments then, if an instalment of the premium remains unpaid for a period of at least:

- 1) 14 days, we may refuse to pay a claim; or
- 2) one month, we may cancel this policy.

We reserve the right to cancel any direct debit arrangement between us if one or more debits are returned unpaid by your financial institution.

Renewal conditions

All renewals are effected on the basis that they are subject to the same terms and conditions which are set out in the policy wording or product disclosure statement which you already hold. If you require another copy please advise us. If your existing policy has a special endorsement or exclusion, this will continue during any renewal period unless varied by agreement with us. In the event that we do not accept any renewal condition, we will inform you as soon as practicable.

Workers compensation

Workers compensation insurance is compulsory for all employers. This insurance does not include workers compensation insurance.

Fire service levy

In some States Fire and Emergency Authorities receive funding via a levy imposed on insurance companies. This levy is commonly known as Fire Services Levy (FSL). If the levy applies to your policy then the amount shown as FSL is our estimate of the amount which we must contribute towards FSL in respect of your policy.
